

100-150kW 60HZ QT SERIES

GENERAC[®]

Automatic Standby Gaseous Generator

Premium automatic
backup power for
your business

Power your business with the leading choice in standby power

Thousands of businesses rely on Generac QT Series automatic standby generators to provide backup power when the utility goes down. Generac's automatic standby generators come on within seconds of a utility power outage to power your electrical loads, ensure safety, and prevent the loss of revenue.

Features & Benefits:

MOBILE LINK™ CONNECTIVITY

Standard with all Protector Series generators, Mobile Link allows you to monitor the status of your generator from anywhere in the world using a smartphone, tablet, or PC. Easily access information, such as the current operating status and the generator's maintenance schedule. Connect your account to an authorized service dealer for fast, friendly and convenient assistance. With Mobile Link, your generator is taken care of before the next outage.

QUIET-TEST™ SELF-TEST MODE

Runs at a lower, quieter RPM for a five or twelve minute test, to ensure the system is running properly while consuming less fuel. Quiet-Test Self-Test mode can be programmed to run weekly, bi-weekly, or monthly.

24/7/365 CUSTOMER SUPPORT TEAM

Standing by all day, every day from our headquarters in Wisconsin to answer any questions you might have.

2-YEAR LIMITED WARRANTY

QT Series automatic standby generators come standard with a 2-year limited warranty

TOUGH, DURABLE ALL-ALUMINUM ENCLOSURES

Our RhinoCoat™ powder-coated finish helps make corrosion-resistant aluminum perfect for all weather conditions.

BUILT IN THE USA*

Generac generators and engines are engineered and built in the USA*

**Assembled in the USA using domestic and foreign parts.*

What's your cost of downtime during a power outage?

\$39,492
Supermarket

\$25,750
Pharmacy

\$5,004
Convenience Store

\$7,929
High-Volume Restaurant

**Data shown using 2017 and 2019 Generac Power Outage Data reports. Average outage time of 9 hours, per 2019 data.*

PROTECT YOUR BOTTOM LINE. GAIN A COMPETITIVE EDGE.

Whether a power failure is simply not an option, or you just want an advantage over your competitors during a power outage, Generac standby generators provide reliable backup power and make sure you're open for business during an outage, no matter the industry or application.
